Great Glen Newsletter

August 2016

Registered Charity No. 1099411

A very warm welcome to our new members: Mike Cheeseman, Angela Hazelton and Louise Phillips

Chairman's Chat

On a recent most enjoyable week in Somerset we were able to make good use of our National Trust memberships, with visits to Tyntesfield House and Montacute House. Tyntesfield I had long wished to see after watching a TV documentary about it some years ago. Now largely free of building works, we could really appreciate this splendid Victorian Gothic revival. A magnificent property inspired by religious belief and the ideal of self-sufficiency, set in expansive grounds including 52 acres of woodland, a home farm where traditional craftsmen produce all sorts of wooden artefacts, and splendid gardens and parkland, made for a memorable experience. Montacute House is a much older property dating from 1611, but again well worth a visit.

We also managed to pull in visits to the beautiful city of Wells, to see again the magnificent cathedral and for the first time the Bishop's Palace and gardens (and of course the wells) and to soak up some of the local

history. The hotel where we were pampered itself deserves a mention, as a beautifully restored country house set in its own 30 acres with a river running through.

Obituary – Mary Lawson

All our U3A members will be sad to hear of the recent death of Mary Lawson. Mary was the founder member of Great Glen U3A. It was in 2001 that Mary recognised the potential for a U3A in Great Glen, and advertised a meeting for villagers to attend to learn about the University of the Third Age. Thirty-five people attended (mainly women). Her initiative was so successful that in the first six months they had inaugurated no less than nine groups, monthly meetings and a regular Newsletter.

I was lucky enough to have joined U3A whilst Mary was still on the committee and so worked alongside her for a few years, and saw the dedication that she put into everything she did.

Mary died after a long illness, and we send our sympathy to her husband John and all the family.

Thank you, Mary, for starting the Great Glen U3A. It has grown somewhat since 2001, with a present membership of 350, and without your forward looking

ideas and leadership I am sure it would never have got off the ground.

Toni Smith

An Appeal from Your Committee

The Committee is looking into improving access to U3A activities for those with hearing loss. Potential solutions are likely to entail significant outlay, for which we would need to seek funding. As a next step we wish to find out how many members find difficulty hearing at our group activities and monthly meetings. We should also like to understand the causes of such difficulties, for example because of background noise. If you are affected by significant hearing difficulty, please let your Group Leader know or contact me direct. We should also like to hear about any others who may be held back from joining Great Glen U3A because of hearing problems.

Outings Organiser Still Wanted!!

As you all know, after doing a wonderful job Pat Tate has now stepped down from running outings other than Kilworth House theatre trips. This leaves a space which as a U3A of over 300 people surely we can fill.

As your business secretary I have recently received

information from the central office about various interesting trips, days out and concerts etc which have been specially laid on for U3A members but which we miss out on. There **must surely** be someone or a couple of friends or partners who would not find it too arduous to book a coach and make a list of interested people and then take the helm on a day out. My husband and I did this for several years and many people still remember the fun we had. Come on Great Glen! If you are fairly recently retired and still have some energy and enthusiasm, or just the last two qualities, then I need to hear from you. A telephone number and e-mail address is helpful when making arrangements but otherwise there are no special requirements. Let me know – an outing in September or October would be great.

Elizabeth, Countess of Shrewsbury, 1527-1608

(July monthly meeting)

Julie Ede gave us a fascinating talk on Elizabeth, Countess of Shrewsbury. She is well known to many of us as "Bess of Hardwick" as she has connections to many famous places in the Midlands, but this was the first time I have heard such a comprehensive story of her life. She was indeed a very remarkable person and an astute business woman. To live and prosper in Tudor times she needed both skill and intelligence. Bess was born to relatively minor gentry but prospered greatly through her marriages. She was married four times, firstly to Robert Barlow. They were both very young but he died shortly afterwards. Secondly she married the wealthy Sir William Cavendish who was twice her age. They had eight children only six of whom survived infancy. Thirdly she married Sir William St Loe and finally George Talbot, Earl of Shrewsbury. Elizabeth outlived all four husbands and seems to have been remarkably healthy prior to her

death in 1608 aged 80yrs. She was buried in a vault at All Saints Church, Derby which is now Derby Cathedral. There is a memorial to her there.

I was unaware of her connection to the Gray family at Bradgate. Bess spent time at Bradgate and was married there to Sir William Cavendish at 2.00 a.m.! Bess was a Lady-in-Waiting to Queen Elizabeth I. When Mary Queen of Scots fled from Scotland Queen Elizabeth felt obliged to help her but because of the threat she represented to the throne Mary was put into the protective custody of the Earl of Shrewsbury and stayed at many of their houses including Chatsworth. Bess spent time with her and they were both keen needlewomen. Much of their work is still on display at Hardwick Hall.

As we heard of the troubled times through which Bess of Hardwick lived I thought of the problems we are experiencing now following Brexit and the turmoil in government. Only yesterday a new prime minister was announced. At least politicians who fall from power today are no longer sent to the tower or executed!

Update on the Adam Sisters

(Continuing the account of John Lawson's family history enquiry ...)

Eric Orbell has found that the Adams sisters are twins and were born on 5th June 1934 in Andover, named

June A and Mary E Adams. Later they attended the Collegiate School for a few years but I have no evidence that they sat their 'O' levels. They may have been living at 39 Kingsmead Road, Leicester (off Welford Road). It is thought they moved abroad, possibly about 1949 or even before. Did they ever write to a friend and possibly reveal their married names?

Does anyone know of John William Connaught Adams (brother of the twins) who was at the City Boys School from 1941 to 1946? He was born on 25 September 1929 and died in Harrogate in 1998. He was living at the time with Suzanna Adams. Was this his second wife and if so did they have children?

I thank everyone who has helped me. If someone has any further information please let me know.

Learn Something New

There are no new sessions scheduled at present but we shall be looking to build a programme for the autumn and winter months so we are constantly looking for suggestions. If you have topics that you think would be suitable for a single 2 hour session then please visit the stand at the Open Day and add your ideas to the list you will find there.

We shall be looking for at least one session on handmade Christmas decorations, maybe some absolute beginners language sessions; ukulele bands seem popular in other U3As although I'm not quite sure how we would get instruments for a trial session. But please bring forward all your ideas and we'll see what we can do.

English Country Dancing

The English Country Dancing Group will not be
meeting during August. However we shall be
performing some demonstration dances at the U3A
Open Day on 16th August, so do come along and see if
this graceful and elegant form of social dancing
appeals to you – there will be opportunity for U3A
members to "have a go"!

The group will resume its regular weekly dancing on
Tuesday 6th September, 2.00 to 4.00 p.m. in the Sports
Hall. With the forthcoming (8th October)

Leicestershire & Rutland Playford Costume Ball in
mind, we shall practise dances from the 17th and 18th
centuries so that any members planning to attend the
Ball can take to the floor with confidence and in style!
We are always pleased to welcome new members to
our weekly meetings for an afternoon of fun and gentle

exercise in good company. Most of our dances are conducted at walking pace, with occasionally skipping so are not too vigorous. The dances are performed in specific formations of circles, squares and longways sets, and they span English Country, English Court (Playford), and American Square and Contra styles. Some dances date back to the Stuart and Georgian/Regency periods, or even earlier, whilst others were written very recently. The music we use ranges from classical (Handel, Purcell, Mozart, Bach) to modern compositions, sometimes even jazz, and for the older dances often features tunes that will be very familiar to anybody who enjoys traditional English folk music.

No previous experience is needed as all the dances are fully explained, the moves are walked through before setting them to music and the dances are called throughout. Also, no special clothing needed – just light-weight shoes or sandals and comfortable clothing suitable for gentle dancing. Nor do you need to come with a partner; singles of both sexes are welcomed, and we often change partners during the dances so that everybody is involved. The only requirement is to be prepared to join in, and enjoy yourself.

Garden Visits Group

Our next visit is on Friday 19th August when we will be visiting Thorpe Lubenham Hall gardens, Farndon Road, Market Harborough, LE16 9TR. Here there are 15 acres of formal and informal gardens surrounded by parkland and arable, mature trees, traditional herbaceous borders, various water features and other interesting items. The cost is £3.50 which includes a cream tea! We will meet in the Great Glen Village Hall car park at 1.30 p.m. to share lifts. If you would like to come along please let me know as soon as possible in order for me to inform them as to numbers attending. If you are going direct to the venue please also let me know so we won't be waiting for you in the car park!

May I also draw your attention to our 16th September meeting when we are going to Blatherwycke Hall gardens. After the demolition of the Hall in 1948 the 4 acres of these tiered, walled gardens became totally overgrown and it wasn't until April 2011 that the new owner of the land began to restore it to its former glory (with a great deal of help from a head gardener and many volunteers) and work is continuing still. We went last year and everyone agreed that we must return to view the progress as we enjoyed it so much. The

cost is £4.50 including tea and cakes. Meeting once again in the Village Hall car park at 1.30 p.m. so please let me know if you would like to come.

Do you like different kinds of dance music, like Waltz, Rumba and Foxtrot? Might you benefit from some gentle exercise? Do you enjoy a good laugh? If the answer is yes, then Line Dancing is just the thing for you. You don't even need a partner! All you do need is a comfy pair of shoes and two hours to spare every Thursday afternoon at 2.00 p.m. New members will be warmly welcomed, male and female. Yes, men do line dance, I have seen them! We will be giving a demonstration at the Open Day on 16th August, so if you are still a little unsure, come along and watch, and hopefully join in.

New Age Kurling

We now have one set of kit and so we can look to get a group going. In view of summer holidays during July and August, I am proposing to start the group in September. Based on the survey of members who came to the trial session, the most popular time slot is

fourth Friday, 10.00 a.m. to 12 noon (apologies to those who can't make this time). So the first group session will be on Friday 23rd September at 10.00 a.m. in the Great Glen Sports Centre.

However, before that **please come and join the demonstration at the open day** on 16th August. New Age Kurling is scheduled for 11:30 – 11:55 a.m. in the Sports Centre.

Appeal for carpentry help: The 'pushers' that we use for Kurling are relatively expensive and we should be able to make some at much lower cost. But we need someone who can cut plywood T-pieces which are approx. 135 by 75 by 9 mm, to which a handle can be attached. If there is anyone out there who could cut these T-pieces please contact me and I can provide full details.

Our next meeting is on September 26th when I shall be providing the questions. David Green will be question master in October and Liz Adams is the question mistress in November. I hope all members received my email or telephone message cancelling the July meeting owing to a funeral at the church. It's a good idea to check the Great Glen U3A website, where information of cancellations is also given.
